

# Community Learning

## Digame - Beginners Spanish

Course Length: 10 Hours (5x2 Hours)

### What will I learn?

- Basic greetings
- Statements of facts, there is , there are, I would like, here is etc....
- Open and close questions
- Simple directions
- Buying train and plain tickets
- Ask and state the time
- Ask for drinks and snacks

### How will I learn?

- Using a combination of visual and kinaesthetic approaches in a fun environment
- I will keep a Learning Journey to record my progress
- My progress will be reviewed at regular intervals
- Interacting with others playing games

### What equipment will I need to bring to the course each week?

- Pen and paper
- Any completed homework
- Resources we need for the activities will be provided for us.

### What skills and abilities will I need to join the course?

To be able to read, write and basic mathematic skills

### How will you check my progress?

- Your tutor will provide verbal feedback at all the time during the session.
- You work will be mark and returned to you, either during each session or at the beginning of the next session.
- Your Learning Journey will be reviewed regularly.
- You will be able to note down any concerns/comments, after each session, in your Learning Journey so your tutor will be aware of these and can act upon them.

### What will be my next stage to increase my skills?

Progress onto an Adult Community Learning course Holiday Spanish

### If I need extra help what do I do

Tell either your tutor or the Community Engagement Officer. We have specialist equipment and staff to give you the support you need to succeed on your course.
