Primary Schools

**Deadline for
applications
Tuesday
15 January
2013**

2013-14

Introduction

Starting at primary school is one of the most important steps in a child's life. This guide has been produced to provide you with the information to make that decision and sets out the steps necessary to make your application.

These are exciting times for our primary schools. All schools are working together to improve standards and to provide the best opportunities for children starting their education in Stoke-on-Trent. Most parents prefer their children to attend a local school and it is usually the case that such a place can be found for them. Where other school places are preferred, we will do our best to assist in the process of trying to meet their preference. In all cases a school place will be found.

Please read this guide before making your decision. I also encourage you to visit your preferred schools to ask any questions on their offer. Each school also has additional information available via its website.

Applications should be made online at stoke.gov.uk/admissions or by completing an application form by 15 January 2013. You will be informed of the outcome on 16 April 2013. Staff in the Admissions Team can be contacted on 01782 236867/236885 to provide assistance if you have any queries on making this application.

The information contained in this booklet was accurate at the time of print. Parents should refer to the website stoke.gov.uk/admissions for the latest information.

Apply on-line for school places
stoke.gov.uk/admissions

Reminder

The deadline for applications for
a place at a primary school in
Stoke-on-Trent for 2013 is

**Tuesday
15 January
2013**

Applications received after this deadline
will be processed as soon as possible,
but parental preferences expressed by
the deadline will take priority.

Applying for a place at primary school

**Deadline for applications
Tuesday
15 January
2013**

What do you need to do to apply for a place?

If you live in the city, you should register your preferences on-line at stoke.gov.uk/admissions

The benefits of applying on-line are:

- You will get an instant e-mail confirmation that your application has been received.
- You will be notified of the outcome of your application by e-mail by 16 April 2013.
- You may edit your preferences on-line anytime before the closing date of 15 January 2013.

If you are applying for a Church Aided School or Academy, additional information such as a baptism certificate/faith reference will be required. This can be forwarded separately. Please refer to the individual admissions policies for faith schools for which forms of additional information are necessary.

Please note: The required additional information relating to applications on faith grounds must be supplied. Failure to do so will affect the admissions criteria under which your application is considered.

Should you wish to change any of the details on your application, you can do so up until the closing date of 15 January 2013 by telephoning the Admissions Team on 01782 236867 or 236885, or in writing to:

Admissions and Family Services,
Children and Young People's Services,
Civic Centre,
Glebe Street,
Stoke-on-Trent,
ST4 1HH

You should express a preference for three schools on the form. These should be listed in order of preference. It is most important that you include all of your preferences at this stage, as some schools will have more applications than they can take. Where we are unable to meet your preference, we will try to offer your next preferred school. Naming the same school more than once on an application form does not increase the chances of your being successful. Instead, it will reduce your opportunity to secure a place at a second or third preference.

If you prefer you can complete a paper copy of the application form. This is available on the website or can be sent to you by the Admissions Team. The form should be returned to your preferred primary school by Tuesday 15 January 2013. If you require a receipt for

your completed form, it will need to be hand delivered to your child's current school where a receipt will be issued.

Decision letters on the outcome of your application will be sent out on 16 April 2013.

Pre-school education nursery schools, nursery classes and other early years settings

Stoke-on-Trent City Council is firmly committed to preschool education.

Nursery schools, nursery classes attached to primary schools, and early education settings provide a structured educational environment in which young children learn through play. This gives children an excellent foundation before starting primary school.

Children in are entitled to a minimum of a free part time place in a nursery school or class or other early years setting from the age of three. As a parent, you can choose from the following options:

- A maintained nursery school or class: There are seven nursery schools in the city and most primary schools have one or more nursery classes providing early education in a school environment.
- A private, independent or voluntary childcare setting: Many day nurseries and pre-school playgroups across the city provide part time places for up to 15 hours per week, 38 weeks of the year. Early education in these settings is free, but you will have to pay for any additional time that your child attends for childcare purposes. Parents of children whose third birthday falls on or before 31 August can apply for a place at a maintained nursery school or class. Schools will admit children either from September or from January. The youngest children may be offered a January start date as they may not be quite ready for school in the Autumn term.

The city council operates a co-ordinated scheme for admissions to its nursery schools and classes. A separate leaflet and application form is available from schools. Applications for admission in September 2013 and information on closing dates will be available in the Spring Term 2013. Further details can be found on the website at stoke.gov.uk/admissions

Attendance at a nursery class does not guarantee a place in a Reception class at the same school.

Nursery schools and primary schools with nursery units are shown in the list of schools on pages 10-15. The

letter "N" in the age-range column shows that the school has a nursery class. If you wish to apply for a place, you should first contact the Headteacher.

If you have any difficulties or need further information or advice, please contact the Admissions Team on 01782 236885 or 236867. We will do our best to help you.

Parents who prefer their child to benefit from early education in a private, independent or voluntary childcare setting are entitled to a free part-time place from the term following their child's third birthday. To access a part time early education place at a day nursery or pre-school playgroup, you should contact the setting directly. For a list of childcare settings that deliver early education, or for more information about the free entitlement to Early Education, contact the Family Information Service on 0800 015 1120.

Different types of school

Community Schools

A community school is run by the local authority, who will:

- employ the staff;
- own the land and buildings;
- decide which admissions criteria will be used to allocate places if the school has more applicants than places.

Community schools look to develop strong links with the local community, sometimes offering use of their facilities and providing services such as childcare and adult learning classes.

Voluntary Aided Schools

Voluntary-aided schools are mainly religious or 'faith' schools, although anyone can apply for a place.

The governing body:

- employs the staff;
- sets the admissions criteria.

School buildings and land are normally owned by a religious or charitable organisation. The governing body contributes to building and maintenance costs.

Voluntary Controlled Schools

Voluntary controlled schools are similar to voluntary aided schools, but are run by the local authority. As with community schools, the local authority:

- employs the school staff
- sets the admissions criteria.

School land and buildings are normally owned by a charity, often a religious organisation, which also appoints some of the members of the governing body.

Academies

These are state funded independent schools.

Starting school in a reception class

This section of the booklet applies to all infant, junior and primary schools. If you would prefer your child to attend a church school, please read very carefully the special rules which apply. These are detailed in each school's admissions policy which can be found on our website or can be obtained from the relevant school. You should read all the information, before deciding which schools to nominate as your preferences.

Can I choose a primary school for my child?

Parents do not have a right to choose their child's school, but they do have the right to express a preference for the school(s) you would most like your child to attend.

Your preference must be met, unless to do so would "prejudice the provision of efficient education or the efficient use of resources" - for example, when a particular school is full.

If a school is over-subscribed and it is not possible to meet all parental preferences, your second preference will be very important. It is, therefore, vital that you give careful consideration to which schools to name on the application form and in which order you name them. If your child has a Statement of Special Educational Needs which names a particular school, your child must be given a place there.

Failure to complete an application could jeopardise a place at a local school for your child.

The co-ordinated scheme

We operate a co-ordinated scheme of admissions covering all schools in the city and applications from city residents for schools other authorities.

Full time places in Foundation 2 (reception) classes in schools in Stoke-on-Trent are available in September of the academic year in which a child becomes five years old. All applications for admission by Community, Voluntary Controlled, Voluntary Aided schools and Academies at 4+ are managed by Stoke-on-Trent City Council. Preferences made by parents living in Stoke-on-Trent for schools in other local authority areas

**Deadline for applications
Tuesday
15 January
2013**

should also be made through the city council. This is known as the co-ordinated admissions scheme. To help this process, applicants are required to complete a common application form.

Schools have an Admission Number (AN) for each year group, including the Foundation 2 (reception) class. The Admission Number is expected to be based upon the school's net capacity. Places will be offered up to but not exceeding the Admission Number. Regulations also require that Foundation 2 (reception) and infant classes must have no more than 30 pupils per teacher.

Parents are asked to name three schools, in order of preference, which they would like their child to attend. Admissions authorities have to consider preferences in accordance with their published admissions criteria. They cannot take account of where the school is placed in the order of preferences.

Pupils with a Statement of Special Educational Need are considered separately and must be accepted by the school named on their Statement. They will count towards the school's admission number.

We will pass preferences for Voluntary Aided schools and Academies to the governing bodies of those schools. The governing bodies are the admission authorities for those schools. The governing bodies will be asked to consider the applications in accordance with their own admissions policy and to return to the city council a list of children in priority order. We will consider the preferences for Community and Voluntary Controlled schools in accordance with its own admissions criteria and will draw up a list of children for each school in priority order.

We will allocate places at schools up to their Admission Number. If a child is eligible for a place at more than one school, a place will be offered at the school which is highest on their parent's preference list. This is called an equal preference system. The advantage of this system is that a child is more likely to gain a place at a school which is one of their parent's preferences. It must, however, be recognised that this could be at the expense of a child who lives further away but whose parent has named a particular school as a first preference.

What do I need to do?

You will need to make an application either on-line or by obtaining a paper copy of the form (see page 4). Each community school has a defined catchment area and most pupils transfer to the school which serves their local community (the 'catchment school')

If you are in any doubt about your catchment school, please contact the Admissions Team. If your child has a Statement of Special Educational Needs, you may wish to contact the Statutory Assessment Section on 233198 for advice.

We cannot reserve a place at the catchment school for your child. If you wish your child to attend the school serving your home address, you must name the school on your application form. (This does not apply if your child has a statement of Special Educational Needs).

You should also note that we do not offer assistance with travel costs unless the pupil meets the travel criteria (see page 17 for more information)

It is important to note that admissions to reception classes are entirely separate from nursery class admissions. If your child already attends a nursery class at the school of your preference, you must still complete an application form. Attending a nursery class does not guarantee a place in that school's reception class.

If you choose to complete a paper copy of the form and your child attends school outside of the city, the form should be returned directly to:

Admissions and Family Services,
Children and Young people's Services,
Civic Centre, Glebe Street,
Stoke-on-Trent,
ST4 1HH

Do second and third preferences matter?

You should name three schools on the form. It is most important that you include all of the preferences at this stage, as some schools may have more applications than they can take. In that situation, where we are unable to meet your first preference, we will try to offer your next preferred school.

Naming three preferences will not affect your chances of securing a place at your first preference school. On the other hand, naming the same school more than once on the application form cannot increase the chances of you being successful. Instead, it could reduce your opportunity to secure a place at your second or third school within a reasonable distance from your home address.

How do I apply for a Voluntary Aided Church School?

If you wish to apply for a Voluntary Aided Church School as one of your preferences, you must include the school(s) in your preferences on the form and complete the relevant section on the back of the form. Before deciding to name one of these schools as a preference, you must consider carefully your chances of being successful in gaining a place for your child. Details of these schools' admission policies can be found on our website or each school's website.

Admissions to Church of England Voluntary Aided Primary Schools

Admissions to these schools are the responsibility of the schools' governors. If you wish your child to be considered for a place, you should name the school on the city council's application form. We will send a copy to the governors of the school for their attention.

Further information may be obtained from:

The Lichfield Diocesan Board of Education
St. Mary's House, The Close, Lichfield
Staffordshire WS13 2LD.
Telephone 01543 306040

Admissions to Catholic Voluntary Aided Primary schools

Admissions to these schools are also the responsibility of the schools' governors. If you wish your child to be considered for a place, you should name the school on the city council's application form. We will then send a copy to the governors of the school for their attention.

Further information may be obtained from:

The Diocesan Education Service
St. Anne's House, 61 Coventry Road
Coleshill, Birmingham B46 3EA
Telephone 01675 430230

Admissions to Academies

Admissions to these schools are the responsibility of the schools' governors. As with all other schools, if you wish your child to be considered for a place, you should name the school on the application. We will then send a copy to the governors for their attention.

Admissions to Foundation 2 (reception) classes at Community and Voluntary Controlled schools

Each community and voluntary controlled school is surrounded by a defined geographical area called its catchment area, from which it generally admits pupils, but there is no guarantee of a place for pupils living within it, nor for pupils who may move into the area at a later date. Catchment areas are reviewed regularly and the boundaries may be redrawn.

We will draw up a list for each school of children whose parents have named the school as a preference. We will use the following criteria to decide the order of priority (the top priority is a), then b) etc.):

- a) pupils in the care of the local authority (looked after children) or provided with accommodation by the authority as defined by Section 22 of the Children Act 1989 and children who were previously looked after but ceased to be so because they were adopted or became subject too a residency order or special guardianship order
- b) pupils living within the catchment area of the school who have an older brother or sister in attendance at the school at the time of admission or, for admission to an Infant School, at the linked Junior School, at the time of admission.

For admission purposes, an older brother or sister is defined as a child who lives at the same address and who is the brother/sister, half brother/sister (i.e. share one common parent), or step brother/sister (i.e. related by parent's marriage) of the child for whom the place is being requested. It also includes any other child living at the same residence under the terms of a Residence Order.

c) other pupils living within the catchment area.

d) pupils living outside the catchment area of the school who have an older brother or sister in attendance at the school.

e) other pupils living outside the catchment area.

If priorities have to be decided within any of these categories, children will be placed in order of priority using a straight line measurement from the front door of the child's home address to the main entrance of the school.

We will also consider any reasons put forward by parents in support of their preference. These reasons should be supported with evidence wherever possible. If the reasons concern the child's health or social wellbeing, the evidence should be provided by a medical practitioner or other social care professional.

If we consider that the reasons for a place at a particular school are sufficiently strong, it will place the child on the school list above those whose position is based upon the distance criterion.

If a pupil lives with **parents** with shared responsibilities, each for part of the week, the 'home address' will be the one at which the pupil is resident for the greatest part of the school week.

No priority will be given for early application. Late applications will be considered individually. The local authority will normally accept applications received late for a genuine reason, for example, a single parent who has been ill, or a family that has recently returned from abroad.

Applications from pupils resident outside the city will be judged according to the same criteria as applications from city-resident pupils. They will be ranked according to the same priorities.

If a place is offered on a fraudulent or intentionally misleading application from a parent, this may effectively

deny a place to a child with a stronger claim. In that situation the offered place will be withdrawn.

NB: The admission policy for Willows Primary School gives equal priority in Category C to pupils in catchment with an older sibling already at the school and pupils living outside the catchment area, who have an older sibling attending the hearing unit.

What do I do if I don't get the school that is my preference?

Three options are available to you:

- You can ask whether there are still places available at the catchment area school;
- You can apply for a place at other schools with vacant places;
- You can appeal against the decision to an Independent Appeals Panel set up by the Members' Services Directorate of Stoke-on-Trent City Council.

You should be aware that the law on class-sizes in reception classes restricts the grounds on which an appeal can be upheld. Please contact Admissions and Family Services for further details.

The Admissions and Family Services Team or the Choice Adviser can help you decide the best approach for your child. The aim is to provide a happy and stimulating education for your child, whichever school they attend.

Schools in other local authorities

If you would prefer your child to go to a school out of the city, you should name the school on the city's application form and we will send a copy to the appropriate local authority. You are strongly advised, however, to name two other preferences on the form, in case your first preference cannot be met.

Independent or Private Schools

We do not provide funding for pupils to be educated at private day or boarding schools (except where such provision is necessary for children with a Statement of Special Educational Needs).

Boarding Schools

We do not run any primary schools which offer boarding facilities and does not normally provide funding for pupils to attend boarding schools in other areas (except where it is necessary for children with a Statement of Special Educational Needs).

Transferring from an infant school to a junior school

If your child is in Y2 at an infant (5-7) school, s/he will normally transfer to the linked junior school. Transferring to the linked school ensures minimal disruption to each child's education. It is, however, still necessary to complete an appropriate application form, which will be sent to your child's infant school. To apply for a junior school place you must return the completed form to your child's current infant school by 15 January 2013. The form will then be passed to Admissions and Family Services for processing.

Parents will be informed of the result of their application on 16 April 2013.

Transferring from one primary school to another

If you are moving into Stoke-on-Trent, or from one area of the city to another, and wish your child to change primary school, you should first discuss the matter with the Headteacher of your child's present school. You should then contact the Admissions Team on 01782 235460 to enquire about making a transfer.

If your child is experiencing difficulties at his/her current school and you consider that a transfer to an alternative school may be helpful, you should still discuss your child's situation with the current Headteacher before making a final decision. You should also think about how your child will get to an alternative school, which may be some distance away from your home, and about possible difficulties when your child starts secondary school. The Admissions Team can offer help and advice.

Any parent residing in Stoke-on-Trent, who wishes their child to change schools will need to apply via our Admissions Team and complete an In-Year Transfer Request Form. This includes applications to transfer to any schools within Stoke-on-Trent and schools in other local authorities. You can name up to three schools for which you would like your child to be considered for a place.

Where preferences are made for community schools within Stoke-on-Trent, we will decide whether or not a place can be offered. Where preferences are made on the application for schools which are their own admissions authority (i.e. Academies, Voluntary Aided and Foundation (trust) schools) or for schools within another local authority, we will forward the application along with any relevant supplementary information to the relevant governing body or local authority who will make the decision.

In all cases, we will send a letter notifying you of the outcome. Where a child qualifies for a place at more than one of the preferred schools applied for, the Admissions Team will allocate a place at the school which is highest on the preference list.

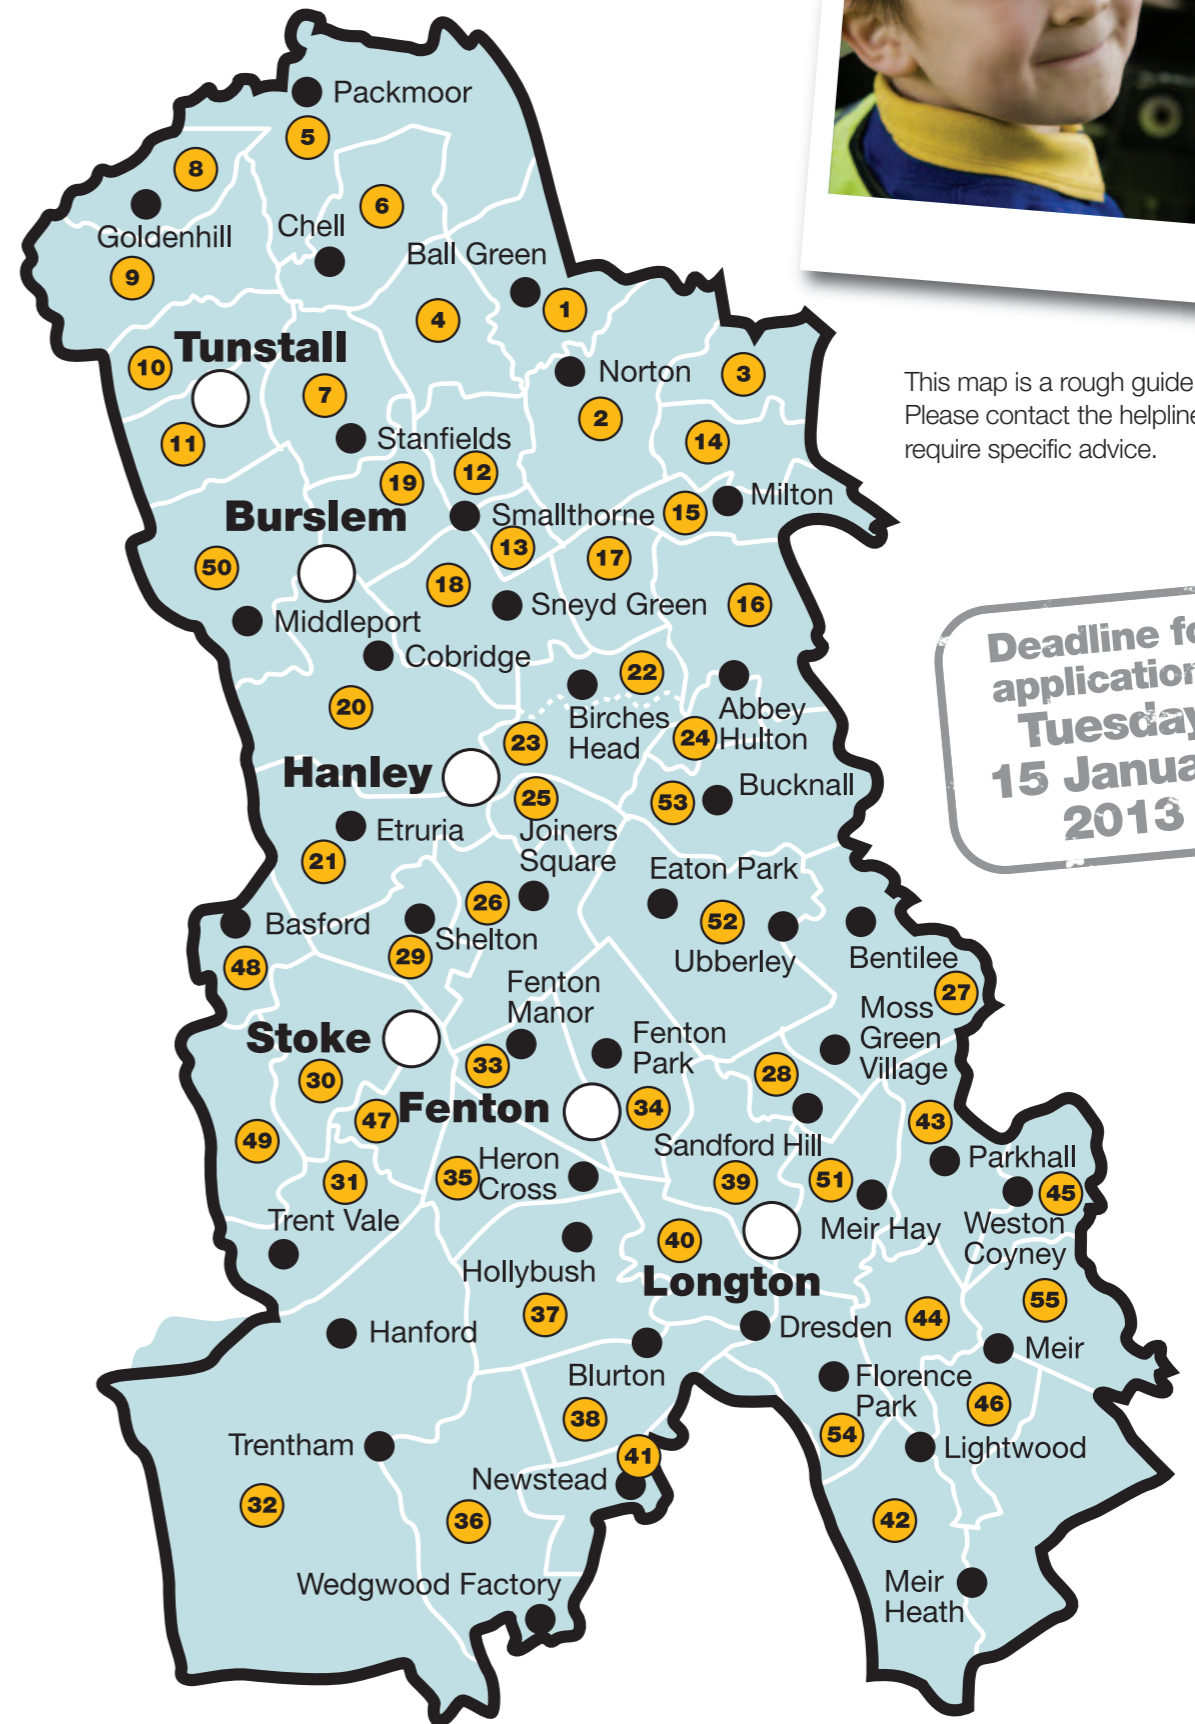

Nursery and primary schools in Stoke-on-Trent

All schools are day schools for both boys and girls. The number in the column headed "NOR" (number on roll) is the number of pupils in the school in January 2010. For schools with a nursery unit (shown by the letter 'N' in the Age Range column), the NOR includes the pupils attending the nursery (full-time equivalent).

The AN (Admission Number) figure refers to the admission limit set for each school.

Nursery School	Telephone	Age	Places*	NOR Summer 2011
Bentilee Nursery <i>Headteacher: Mrs Elizabeth Massey</i> at Treehouse Children's Centre, Dawlish Drive, Bentilee, ST2 0DP	235065	3+	60	60

Right of Appeal

Community and Voluntary Controlled Schools

If we are not able to offer your child a place at your preferred school, you may wish to discuss your child's situation with the Admissions and Family Services Team. They will be pleased to help you. If you are still unhappy, you have a right to appeal to an Independent Appeals Panel.

An appeals form and information is available from the Admissions team.

The Appeals Panel normally consists of three local people. None of them will work for the city council or will have dealt with your case. The Panel's decision is final.

The Advisory Centre for Education (ACE) provides an additional, independent source of advice for parents unable to secure the place they want for their child. Their website can be found at www.ace-ed.org.uk

Voluntary Aided Schools

If you have been refused a place at a church aided school and you wish to appeal, you should apply to the school. If you have any difficulties contact the

Admissions Team for advice.

Class Size Appeals

Since September 2001, classes in Key Stage 1 are restricted to 30 pupils. The circumstances in which an appeal can be upheld are therefore limited.

Where a child has been refused admission to a school on "infant class size prejudice" grounds, an appeal panel can only offer a place to a child where it is satisfied that:

- a) the child would have been offered a place if the admission arrangements had been properly implemented;
- b) the child would have been offered a place if the arrangements had not been contrary to mandatory provisions in the Schools Admissions Code and the School Standards and Framework Act (SSFA) 1998; and/or
- c) the decision to refuse admission was not one which a reasonable admission authority would have made in the circumstances of the case.

**Deadline for applications
Tuesday
15 January
2013**

Applying for transport

It is the responsibility of parents to ensure that their child(ren) get to and from school at the appropriate time each day.

Stoke-on-Trent City Council will provide assistance with a pupil's school transport arrangements if they meet the criteria under our Home to School Transport Policy.

Eligibility

Pupils seeking free transport must be of compulsory school age i.e. between the ages of 4+ and 16 years and living in the City of Stoke on Trent.

Pupils with a Statement of Special Educational Need and pupils over 16 years but still in education are covered by separate policies

Free transport will be offered to the following categories of young people:

- Pupils unable to walk to school by reason of a temporary mobility/medical problem (transport offered on a temporary basis).
- Pupils unable to walk to school by reason of a long-term medical problem (where the application is accompanied by a letter from a doctor or other medical professional to confirm the medical circumstances and how these affect the child's ability to get to school).
- Pupils unable to walk to school because of the unsuitability of the only reasonable route.
- All those pupils aged 4+ to 8 years if they live more than 2 miles from their nearest qualifying school. The distance is calculated by determining the shortest acceptable walking route for a child accompanied by an adult (not necessarily by road).
- Those pupils aged 8 to 16 years (applicable from the academic year in which the child turns 8) who live more than 3 miles from their nearest qualifying school.
- Those pupils aged 11 to 16 years from low income families * who live more than 2 but less than 6 miles from their school which must be one of the three nearest, qualifying schools to their home. Eligibility will be reviewed annually.
- Those pupils aged 11 to 16 years from low income families * whose parents have expressed a preference for a faith school based on their religious beliefs where that school is the nearest appropriate faith school and is more than 2 miles but less than 15 miles from their home.

Transport will be offered on a vacant seat basis at a specified charge to the following categories of young people:

- Those pupils aged 4+ to 8 years whose parents have expressed a preference for a Faith school based on their religious beliefs where that school is the nearest appropriate faith school and is more than 2 miles from their home.
- Those pupils aged 8 to 16 years whose parents have expressed a preference for a Faith school based on their religious beliefs where the school is the nearest appropriate Faith school and is more than 3 miles but less than 15 miles from their home.

Qualifying Schools

Parents may state preferences for any schools as part of the admissions process. Some choices may appear to trigger free transport or subsidized transport if a place were to be allocated. However, if they fall outside the "qualifying school" criteria and there are suitable places at a nearer qualifying school, then the pupil does not qualify for transport assistance. Transport to and from school then becomes the responsibility of the parent.

Qualifying schools must satisfy all of the following criteria:

- They must be a Community, Foundation, Academy or Voluntary Controlled/Aided school or a pupil referral unit.
- It must be the nearest school to the pupil's home that provides education appropriate to the age, ability and aptitude of the child (including any special placement for an excluded pupil who is off the roll of their mainstream school, or a Faith school that has been chosen by parents because of a religious belief), with places available.
- However, for pupils aged 11 to 16 years from low income families (where the child(ren) are eligible for free school meals or the parents are in receipt of maximum Working Tax Credit) a qualifying school maybe one of the three nearest schools to the pupil's home more than two miles away but less than six miles away; or, the nearest appropriate Faith school to the home where parents have expressed a preference based on their religious beliefs and where that school is more than 2 but less than 15 miles from their home. The distance is calculated by determining the shortest walking route (not necessarily by road).
- Where qualification is based on grounds of faith, this is determined through the assertion of this preference through the admission application process. Parents will need to have satisfied the admitting body's faith criterion. For Voluntary Controlled schools, the local

authority will require evidence of the family's adherence to the religion / denomination of the school.

- Where a pupil attends a split site school, the relevant site for qualification purposes will be the site where the pupil spends the majority of his/her school week as notified by the school at the beginning of the academic year.
- Where a pupil is dual registered, both sites will be separately assessed to determine the transport need.
- For children in the care of the local authority, the school where the child is placed is deemed to be the 'nearest qualifying school' in order to provide the necessary continuity of education. The allocation of school is to be reviewed as part of the child's regular Care Plan monitoring.

Similarly, transport will be considered to provide continuity of education where it is necessary as a result of other intervention by Vulnerable Children and Corporate Parenting.

Charges/Reimbursements Applying for Denominational Transport (Vacant Seat Scheme)

Latest charges to students meeting both the walking route and faith criteria, attending the nearest appropriate Faith school and not otherwise qualifying for free transport are published on the website:

[stoke.gov.uk/admissions](https://www.stoke.gov.uk/admissions)

For pupils not eligible for assistance with school transport, information regarding:

- Walking,
- Cycling,
- Bus timetables and routes for individual schools can be obtained from: Travel Plan Co-ordinator (Schools) on 234968.

Transport for Children with Special Needs

Children who have a Statement of Special Educational Needs and who attend the most appropriate school for their needs, may be provided with assistance with their transport requirements. Free transport may be provided at the discretion of the city council.

For further details please contact the Special Needs Transport Section on 01782 235952 or 235924.

Sustainable Travel to School

When deciding on which school you want to send your child to, you may wish to think about the journey to school. For example, how far it is, is it safe, is it a pleasant journey, and so on.

For many children, walking and cycling are excellent ways to travel to school as it helps to keep them fit and healthy and it has the added bonus of being good for the environment. It is also a lot less stressful, for parents, than driving a car in today's busy traffic conditions and avoids parking difficulties and congestion. What's more you don't necessarily have to walk or cycle the same route as you would drive to school.

99% of Stoke-on-Trent schools have written a School Travel Plan for their site which aims to improve the way children travel to school. As part of the plans schools have developed improved facilities to help children and adults walk or cycle to school. New footpaths have been provided, road crossings and sheltered waiting constructed and lockers provided for children to keep their bags safe.

Stoke-on-Trent City Council has invested heavily in schools to encourage a new generation of cyclists. A quarter of schools are now "Bike It" schools which means that they get extra attention with cycle rides, bike related activities and cycle training. Cycle parking has now been provided at over half of Stoke-on-Trent schools and there is now a good network of safe and secure cycle routes. For more information about cycling training contact the Cycling Development Officer on 01782 232066.

Where schools are beyond walking distance, you may be entitled to free school transport. See the "Applying for Transport" section in this booklet. If your child is not eligible then find out about cycle routes to the school or enquire about Park and Stride. We would like you to consider these other ways of travel as taking your child to school by car can make the roads outside the school very unpleasant and potentially hazardous for all concerned.

The Sustainable Travel to School Strategy can be found on the city council's website:

[stoke.gov.uk/traveltoschoolstrategy](https://www.stoke.gov.uk/traveltoschoolstrategy)
Alternatively ring the Travel Plan Officer on 01782 234968.

Other information

Fair Access Policy

The local authority is required to have an In-Year Fair Access Protocol in order to ensure that access to education is secured quickly for children who have no school place and that all schools in the city admit their fair share of children with challenging behaviour. Once a child is identified as “difficult to place”, the Admissions and Family Services Team will ask for a copy of his/her school record and any information relevant to the child’s placement.

In coming to a decision about the child’s placement the local authority will take careful account of the views of the Headteachers and governing bodies of the schools named by the parent. In particular the local authority will take account of any genuine concerns about a Fair Access admission e.g. a previous serious breakdown in relationships between the family and the school, etc.

Children without a school place must take precedence over children on a waiting list attending another school.

Family Information Service

The Stoke-on-Trent Family Information Service is a free local service providing a wide range and variety of information and support to parents and carers of children and young people aged 0-19 (0-25 with a disability). Information, advice and guidance is available to help you with the following:

- Behavioural issues – practical information and advice on how to tackle behavioural issues which may be affecting you and your family.
- Signposting – to local, regional and national services which can provide specialist support and advice.
- Rights and entitlements – your legal and paternal rights as a parent.
- Activities – information about activities taking place across the city during school holidays.
- Choosing childcare – types of childcare and availability of childminders; out of school clubs and holiday schemes.
- Family benefits – including information on childcare vouchers, tax credits, and other schemes to help with the cost of childcare.
- Brokerage – free to access additional support if you are struggling to find childcare that meets the needs of you and your family.

Stoke Know How is an easy to use on-line directory of local services and childcare across the city.

The website, developed with the Children and Young People’s Strategic Partnership, also includes information on national sources of support.

You can access Stoke Know How by logging on to stoke.gov.uk/stokeknowhow

To find out more about the Family Information Service or Stoke Know How, please contact us on:

- Telephone - freephone 0800 015 1120*
- Email - fis@stoke.gov.uk
- Website - stokefis.co.uk
- Twitter (@stokeFIS) and Facebook – (search for Stoke Family Information Service)
- By calling in to the Civic Centre (Floor 2) or your local Children’s Centre

*The Family Information Service helpline is available from 8.45am – 5pm Monday to Thursday and 8.45am - 4.30pm on a Friday. An answer phone service is available at all other times.

The Parent Partnership Service

The Stoke-on-Trent Parent Partnership Service works in partnership with parents/carers of children with special educational needs and encourages partnership working with other service providers. The service is confidential.

It offers a menu of support which includes:

- Flexible services for parents including access to other agencies and organisations, and, for all parents who want one, access to a Choice Adviser to help parents finding difficulty with the admissions process.
- Access to high quality, accurate, neutral information, advice and support on parents’ rights, roles and responsibilities within the SEN process, and on a wide range of options available, to enable them to make informed decisions.
- Training packages and workshops for parents, Independent Parental Supporters, and school staff.
- Multi-agency working between statutory and voluntary organisations work with schools, local authority officers and other agencies to help develop positive relationships with parents.
- Assurance that parents’ views inform and influence the development of local SEN policy and practice.
- A telephone help line service.
- Drop-in centres and support groups.
- Office/home visits.
- Access to an independent mediation service.
- Information and support around Special Education Need and Disability Tribunal issues.

A choice advisory service is also offered:

- Providing information about the schools in Stoke-on-Trent, and their admissions criteria.
- Providing information about the schools performance and specialisms.
- Discussing all options available to you.
- Helping you to understand the admissions process and how places are allocated.
- Supporting you to complete the application forms online or a paper copy.
- Helping and giving advice on how to apply for a school outside Stoke-on-Trent.
- Supporting you through the school admissions appeals procedure.

Contact: The Parent Partnership Service on: 01782 234701

Statement of Special Educational Needs

Children and Young People have Special Educational Needs (SEN), if they have a learning difficulty which requires which a greater level of SEN provision than most children and young people of their age.

If your child has a Statement and is due to move from one sector of education to another, for example from pre-school to primary, or primary to secondary education, an annual review meeting will be held in the summer term of the year before they are to transfer, to ensure planning and preparation are in place for a smooth transition.

The SEN Policy and Inclusion Strategy set out the policy, principles and priorities on which arrangements for SEN are based. These documents can be found on our website stoke.gov.uk

If your child has a Statement of Special Educational Needs, it will need to be amended to name the school your child will attend. The annual review in the summer term, prior to their transfer a year later, will give you the opportunity to express a preference for the school you want your child to attend. We must agree your preference providing:

- The school is suitable for the child’s age, ability and aptitude and the Special Educational Needs set out in Part 2 of the statement.
- The child’s attendance is not compatible with the efficient education of other children in the school and
- The placement is an efficient use of the local authority’s resources.

It is generally expected that, if your child has made progress in a mainstream primary school, s/he will be able to make progress in a mainstream secondary school.

The arrangements for transfer of young people with a Statement are made by the SEN Monitoring and Assessment Service. If you have any queries please ring 01782 236842

Free School Meals

If you are in receipt of one of the following, your child is eligible to receive Free School Meals:

- Income Support
- The guaranteed element of Pension Credit
- Income-Based Job-seekers Allowance
- Child Tax Credit (providing you do not also receive Working Tax Credit) and have an annual income of £16,190 or less (as Assessed by HM Revenue and Customs)
- Support under part VI of the Immigration and Asylum Act 1999
- Income related Employment Support Allowance

If you have a Working Tax Credit you are not eligible for free school meals.

You can make a claim at your child’s school, local centre, Stoke-on-Call or you can simply ring our Free School Meals Team on 01782 236813 for assistance.

NB If you need to add a child to an existing claim you are required to complete a new application form.

Parental Responsibility

The Children Act of 1989 requires schools to know who has "parental responsibility" for each child. This helps to ensure that everyone who has parental responsibility for a child is consulted about important decisions, even if s/he does not live with the child.

Mothers always have parental responsibility, unless removed by the court. Fathers also have parental responsibility if married to the mother (and this carries on after any divorce/separation or re-marriage even if the child lives apart from them). Fathers named on the birth certificate, whether married or not, have parental responsibility. Unmarried fathers, step-fathers and other relatives who look after a child can obtain parental responsibility by applying to the court, but do not qualify automatically.

Please help the school to collect this information. If any changes occur in your family life, or if orders are made under the Children Act which affect your child, please tell the school.

If you need help with this matter, the Education Welfare Officer attached to the school will be pleased to assist.

Complaints

Although we will try to offer your child the best possible education, you may at some point feel you wish to make a complaint.

If you are concerned about any aspect of your child's education, you should firstly talk to the school. Most problems can be sorted out informally. If you are still unhappy, the local Education Welfare Officer will be able to advise you what to do next. Alternatively, you may write to or contact:

Children and Young People's Services, Civic Centre, Glebe Street, Stoke-on-Trent, ST4 1HH.

Education Welfare Team

The Education Welfare Team can be contacted on 01782 235355. Any concerns will be addressed via the telephone helpline between 8.30am and 5pm. The Education Welfare Service can offer support on a variety of issues, for instance:

- Issues surrounding school attendance
- Bullying
- Procedures relating to child protection
- Child employment and performances in entertainment.

Further Help and Information

The Admissions and Family Services Team is the central contact point for parents requiring further help or information. Our helpline telephone numbers are (01782) 236885 or 236867.

The team may also be contacted by writing to: Admissions and Family Services, Children and Young People's Services, Civic Centre, Glebe Street, Stoke-on-Trent, ST4 1HH.

Or you could contact us by e-mail on admissions@stoke.gov.uk.

Officers will also be pleased to deal with any enquiries in person, should you prefer to visit the office (on Floor 2 of the Civic Centre) to discuss your concerns in private. You should contact the Admissions and Family Services Team to make an appointment. The offices are open to the public from 9am to 4.30pm Monday to Thursday and 4pm on Friday. From here you can obtain information on:

- Admissions to schools
- Exclusions
- Free school meals
- Bus passes
- Special educational needs.
